## PROFILE SUMMARY

I'm excited to build a career in business development, taking on operational responsibilities within a dynamic organization. My goal is to use my skills to contribute to business growth, improve processes, and support strategic management.

## EDUCATION

### 2023-Present

- Indo Asian Degree College **Bachelor of Computer Application (BCA)**

### 2020-2022

- ST PAUL PU COLLEGE **CEBA**

### 2019-2020

- MMET ENGLISH HIGH SCHOOL **SSLC**

## EXPERIENCE

### 2023-Present

- Infact's Solution

### Lead's Generator and USA-based business

Served as a lead generator for a USA-based business, focusing on identifying potential client sand initiating customer interactions. Managed customer nquiries and provided support, enhancing client engagement and business opportunities

### 2022 - 2023

- Old Madras Baking Company

### Sales, Packing and Bakery Setting

Gained hands-on experience in sales, packing, and customer service in a bakery setting. Engaged with customers, handled product packaging, and helped ensure a smooth sales process while maintaining quality service.

### 2021-2022

- McDonald's

### Managing Sales, Packing and Customer Service

Worked in a fast-paced environment, managing sales, packaging, and customer service while developing strong communication skills to assist customers, handle transactions, and ensure efficient order fulfillment.
